# Club Bank Account 2022

- 40 Paid members totalling £593.88 (All of this goes to BMC for membership fees)
- £177 still to be sent to BMC
- £1000 gifted from Allianz Insurance
- £73.35 remaining from the grant
- Current account balance £262.98

# BMC affiliation fees 2023

	2022	2023	increase
Adult	£21.00	£22.25	£1.25
Discounted (Under-18 or unemployed)	£15.55	£16.45	£0.90
+ BMC Individual upgrade	£15.20	£16.70	£1.50

- This pays for BMC affiliation – we pass the full amount to the BMC.
- Affiliation fees rise with inflation every year
- Half price for members joining July onwards (~£11.15 tbc)
- We're thinking of asking for a voluntary contribution up to £25, so the club has a small amount of money to invest in kit, travel, etc – what do you think?
